

Fee Accomplishment Report 2010

Rocky Mountain Region

Recreation Program

Nebraska National Forests & Grasslands

Recreation fees are an investment in outdoor recreation. Current and future generations will benefit as 95% of the funds are reinvested in the facilities and services that visitors enjoy, use and value.

Accomplishments provided with recreation fees:

- Completed maintenance and cleaning tasks in campgrounds, camping areas, horse camps, picnic sites, and a visitor center and lookout tower.
- Partially funded contracts for garbage collection, restroom pumping, and water testing.
- Funded one seasonal employee to clean, maintain, and collect fees at sites on the Bessey Ranger District.
- Partially funded two seasonal employees to clean, complete annual and heavy maintenance projects, and collect fees on the Pine Ridge Ranger District.
- Funded one seasonal employee at the Hudson-Meng Education and Research Center on the Oglala National Grassland to give site tours, assist with a Passport in Time project, and complete routine maintenance and cleaning tasks.

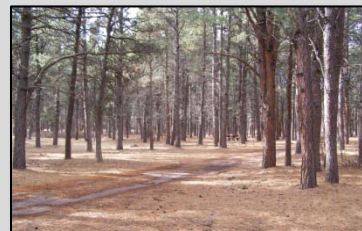

The Hudson-Meng Research & Education Center is one of the most important Paleo-Indian archaeological discoveries in North America.

Special Feature

Steer Creek Campground is nestled in the shade of 95 year-old Ponderosa pines on the Samuel R. McKelvie National Forest. This site is the perfect jumping off point for those interested in exploring the forest's 116,125 acres. The area's distinctive hand planted forests dot the Sandhills prairie and invite visitor inquiry as well as offer respite.
